

## WILLIAM STEVENS - 8.

Q. Then where did you go from in front of the Mills house?

A. Turned immediately and came home.

Q. Walk all the way home with your sister?

A. Sure. Every step of the way.

Q. How did you go?

A. Same way as I was going down.

Q. Along side of her?

A. Yes.

Q. At all times?

A. Yes.

Q. How were you dressed?

A. I think, I could not remember, just dressed as far as clothing, it being quite cool.

Q. Did she have on a polo coat?

A. To tell you the truth, I am not familiar with the feminine wear to know whether a polo or golf coat.

Q. What kind of clothes did she have on?

A. All dark clothes.

Q. No light clothes?

A. No.

Q. Tan cape?

A. No.

Q. How were you dressed?

A. Blue serge suit and in this hat because this is a new one. A black hat.

Q. One of the suits you sent to the cleaners?

A. Yes.

Q. I wish you would use your best memory about it, if there is any chance of error, whether you walked in the yard and out the gate as you say, right along side of your sister that night?
